Subject: Notification according to article 33 of the REACH regulation

Dear Carmen,

The second official candidate list for Annex XIV of the REACH regulation (EC 1907/2006) was published by the European Chemicals Agency (ECHA) on January 13, 2010. This list can be found on the ECHA-website (<http://echa.europa.eu>).

In accordance with article 33 of the REACH regulation, any supplier of an article containing a substance on the list in a concentration above 0,1% (w/w) shall provide the recipient with sufficient information to allow safe use of the article including, as a minimum, the name of that substance.

Therefore, we inform our customers that the currently by Avery Dennison manufactured articles as listed in the attachment of this letter contain the following substances which are included on the candidate list (status: January 13, 2010) according to article 59 (1,10) of the REACH regulation in a concentration above 0,1 % (w/w):

**Lead chromate molybdate sulphate red  
(C.I. Pigment Red 104)  
CAS-No. 12656-85-8  
EINECS-No. 235-759-9**

**Lead sulfochromate yellow  
(C.I. Pigment Yellow 34)  
CAS-No. 1344-37-2  
EINECS-No. 215-693-7**

We provide this product information on the basis of our current knowledge and experience and can neither give any warranty nor assume any responsibility for factors outside our control or knowledge.

Avery Dennison Corporation has committed to comply fully with all applicable requirements of the REACH legislation. The Avery Dennison's REACH Team is working closely with all entities concerned to have individual substances, substances in preparations and products supplied to Avery Dennison or produced by Avery Dennison registered and/or notified as required by REACH by the effective dates. We will do our utmost to ensure supply of products and business continuity.

Best regards,

Jolanda Wesseling  
Research & Development Manager

Enclosure: List of Avery Products containing SVHC's as published by ECHA on 13-01-2010

**List of JAC products containing SVHC's as published by ECHA on 13-01-2010.**

Substances of Very High Concern included on the candidate list (status: January 13, 2010) according to article 59 (1,10) of the REACH regulation.

**Lead chromate molybdate sulphate red  
(C.I. Pigment Red 104)  
CAS-No. 12656-85-8  
EINECS-No. 235-759-9**

**Lead sulfochromate yellow  
(C.I. Pigment Yellow 34)  
CAS-No. 1344-37-2  
EINECS-No. 215-693-7**

The following currently by Avery Dennison Graphics and Reflective Products Division Europe manufactured articles contain the mentioned substance in a concentration above 0,1 % (w/w):
